

## Afternoon Hi Tea

Our charming traditional afternoon high tea is served in the spectacular Lobby Bar which features traditional archways and domes, naturally lit during the day and glowing in the light of glass lamps after sunset.

High Tea is a quintessentially English and opulent experience with a selection of finely cut sandwiches, fresh baked scones and a mouthwatering range of exquisitely presented pastries and teacakes.

Enjoy the freshly brewed tea and coffee, albeit with uninterrupted views of our lush gardens and the lake Beyond.
